Member: Lee Schlingman

Minutes from Historic Commission meeting April 11, 2007

1. Reviewed East Bradford meeting and the publication picturing East Fallowfield School (PA Historic Task Force). Paula will contact Andrea McDonald and find out what we can do to protect the school. Reviewed revisions to laws governing historic resources.
2. Website: What do we really want? Consensus was to keep it simple. Mission statement revision by Art Deleo, brief history of commission, mention of Jane Dorchester, Peg Young, pictures, meeting time/date. We agreed that photos should be of neutral places not individual homes with links to addresses. Ideas would be covered bridge, stone bridge, churches, graveyards, schools, maybe the MingChen re-do.
3. Windshield survey almost complete. Sue will forward corrections to Jane Dorchester. Need to find a 1950 map of the township or a tax list showing properties of that period.
4. Town Tours: The Historic Commission will sponsor a town tour on July 12 of Mortonville. Highlights will be the hotel, mill, bridge and the commerce of the area. Possible ghost story by the river, refreshments.

Attendance: Paula Coyne, Art Deleo, Lee Schlingman, Sue Monaghan.  
Meeting started at 7:05. Garth Monaghan arrived following another meeting around 8:00. Ended 8:15.

Sincerely yours,  
Paula Coyne
